All licensees owning, training or acting as authorized agents on behalf of owners with a horse or horses participating in the Lasix Program shall complete, in full, the Exercise Induced Pulmonary Hemorrhage (E.I.P.H.) Certification Forms 1 and 2, as applicable. Form 1 is to be used for horses ordinarily competing in Ontario and Form 2 is to be used for horses shipping in to compete in Ontario. Each form shall contain certification by or on behalf of a duly qualified veterinarian in Ontario, or as provided in Form 2 with respect to any other jurisdiction recognized by the Ontario Racing Commission, to the effect that the subject thoroughbred horse has, in that veterinarian's opinion, bled sufficiently into its upper respiratory system to justify the use of Furosemide (Lasix) in pari-mutuel racing pursuant to the program adopted by the Ontario Racing Commission. In instances where Form 2 is applicable, the Stewards, prior to **entry**, must be provided with past performance lines of the horse or horses acceptable to the Stewards and a signed statement from a veterinarian in the foreign jurisdiction who fulfills the duties ordinarily performed by a Commission Veterinarian or Official in Ontario Certifying that the horse has qualified for the Lasix Program in the jurisdiction in which it is enrolled. Notwithstanding the above, the Stewards may accept an entry in the absence of such Forms or performance lines, provided that all Forms including the past performance lines of the horse or horses and the signed statement from a veterinarian in the foreign jurisdiction, if required, must be filed with and accepted by the Stewards one hour before the mutuels **open**.

### Rule 36.01.3

If the completed Form 1 is presented within 96 hours of the examination having taken place, the day the examination took place shall be considered to be the horse's first day on the Lasix list and the horse will be eligible to race on the 14th day following the date of the examination.

If the completed Form 1 is presented 96 hours or more after the date of examination, the date on which it is actually presented will be considered to be the horse's first day on the Lasix list. The horse will be eligible to race on the **14th day thereafter**.
